ST JAMES
Preparatory School

Thank you so much to everyone who attended the JAMF training session on Wednesday. Once again, a heartfelt thank you for all of your enthusiasm and positivity throughout the digital transformation. Your child is now able to take their iPad home. If you do not wish for your child to take their iPad home please send your child's class teacher an email indicating this using the office email address, office@stjamesprep.co.uk

For those unable to attend the meeting please find attached the slides. Additionally, the following website explains how to use JAMF at home clearly:

https://learn.jamf.com/en-US/bundle/jamf-parent-guide-for-parents/page/Getting_Started_with_Jamf_Parent.html

If there are any issues please let us know as soon as possible.

Best wishes

Ms Foster

Headmistress
