ST JAMES
Preparatory School

Year 6 Newsletter: Summer, Week 10

What have we explored this week?

This week felt a little more 'normal' than the previous ones. After the pupils' electric performances of Matilda on Friday, it was nice to have a calm morning of Maths and writing on Monday. Then the Swimming Gala arrived! It was lovely to see the children have an amazing afternoon in the water, with more pupils entering the butterfly race than ever before! It was a fun day for all - even if some of us did get a little wetter than intended...

On Tuesday, we tackled some challenging sequence work in Maths; the children worked hard to explore the difference between linear and non-linear sequences, and enjoyed puzzling over the nth term. Wednesday brought a day of fun! Not only did we start our heartfelt class poem ('Memories') but the children also danced their socks off in Drama, and completed some beautiful self-portraits in Art.

On Thursday it was House Cricket! In their last Games session of St James Prep, the children had another fun day in the sun competing to be this year's cricket champions! A big well done to Winchester who took the trophy this year!

As their final full week of primary school comes to a close, I just want to say a great big thank you and well done for this (and last) year! It has been wonderful

to share the journey of Year 5 and 6 with you and these amazing children. I will cherish the memories for a long time and wish them (and you) all the very best for the future.

Things to Remember

- Year 6 Leavers Assembly **Wednesday 2nd July 8:30-9:15am** – I will send any further details on Class Dojo.

- Speech Day is on **Thursday 3rd July** at the Royal Geographical Society. Please bring your child straight to the venue for registration at 9:30am. The event will finish at approximately 11:30am and all children need to be collected from the venue.
